

## lifetime limited warranty

Your Drive brand product is warranted to be free of defects in materials and workmanship for the lifetime of the original consumer purchaser.

This device was built to exacting standards and carefully inspected prior to shipment. This Lifetime Limited Warranty is an expression of our confidence in the materials and workmanship of our products and our assurance to the consumer of years of dependable service.

In the event of a defect covered by this warranty, we will, at our option, repair or replace the device.

This warranty does not cover device failure due to owner misuse or negligence, or normal wear and tear. The warranty does not extend to non-durable components, such as rubber accessories, casters, and grips, which are subject to normal wear and need periodic replacement.

If you have a question about your Drive device or this warranty, please contact an authorized Drive dealer.

## assembly instructions

1. Remove contents from carton (figure 1).
2. Take cane rack base and square pole and connect them using two screws through the bottom of the base (figure 2).
3. Use a screwdriver to secure screws in place (figure 3).
4. Place rack in upright position before continuing assembly.
5. Push in square metal bit until the hole in the bit lines up with the hole drilled into the top of the square pole. Attach the cane rack top (figure 4 and 5).
6. Screw in round pole into the center of the cane rack top (figure 6).
7. Place sign on round pole by resting it on wooden pegs (figure 7).
