Solar Oak	15000HFR-SO	15000HFA-SO	15000HFS-SO

- Constructed of ¾" particle board core with high pressure laminate on both sides.
- All corners are radiused for appearance and safety.
- Edges are finished with vinyl T-mold.
- Option 1: Custom patterns and cutouts to fit specific manufacturers' beds.
- Option 2: Alternate high pressure laminates.

***Important note:**

Only the rectangular head and foot boards in gunstock walnut come pre-drilled for use with the 15601, 15801 and 15803 series long term care beds. All other styles are not pre-drilled.
