

## Dura\*Soft™ Shoulder Immobilizer

The Dura\*Soft Shoulder Immobilizer is designed to be used as a stand-alone shoulder immobilizer or with an integrated cold wrap for greater versatility during the various stages of rehabilitation.

### Features & Benefits

- The nylon wraps and elastic straps provide a universal fit and effective compression
- Ultra-wicking fabric with antimicrobial protection
- Inserts can be frozen and exchanged to provide extended cold therapy
- Designed to provide years of long-term use for rehabilitation and/or chronic conditions
